

KNOW YOUR RISK

TALK TO YOUR DOCTOR ABOUT OSTEOPOROSIS AND YOUR BONES.

Take charge of your bone health by asking your doctor these questions.

What is osteoporosis and am I at risk?

What should I do to take care of my bones?

Are there any tests that can tell me if I have osteoporosis?

What medications can treat osteoporosis?

What can I expect from an osteoporosis medication?

How long will I need to take an osteoporosis medication?
